#### **Book Description**

It's a well known fact that the world's most successful men and women use specific focusing strategies and techniques to achieve their most coveted goals and objectives. You will learn all of these strategies and techniques in *The Power of Focus: How to hit your business, personal and financial targets with absolute certainty*. This highly acclaimed book –to date, almost half a million copies sold in North America –has been translated into 19 languages and featured on the Wall Street Journal bestseller list.

The driving force behind the book Les Hewitt and his co-authors, Jack Canfield and Mark Victor Hansen (co-creators of the phenomenally successful Chicken Soup for the Soul series) are all industry leaders in the field of professional and personal development. The 300 pages contain a treasury of practical wisdom that includes easy-to-implement action steps that will significantly free up your time, dramatically improve your earning power and solidly enrich your most important personal and professional relationships.
